OKP0010	Ship Plans Merchant Collection	Technical drawing	31 ft Mumbles oyster boats	Dated: March 1937	Scale 1:12. A plan showing the overlaid sheer lines, body plans and longitudinal half-breadths of two 31 ft Mumbles oyster boats. The plan was drawn by Philip Jesse Oke at Plymouth in March 1937, after designs by William Paynter of St Ives.
OKP0011	Ship Plans Merchant Collection	Technical drawing	<i>Barnabas 63455</i> (1881); <i>Martha</i> (about 1870)	Dated: March 1937	Scale varies. A plan showing the overlaid sheer lines, body plans and longitudinal half-breadths of the <i>Barnabas 63455</i> (1881) and the <i>Martha</i> (about 1870), both mackerel drivers. In addition, there is a half-plan view specific to the <i>Barnabas</i> , illustrating the spacing of that vessel's beams. The plan was drawn by Philip Jesse Oke at Plymouth in March 1937, after designs by William Paynter of St Ives.
OKP0012	Ship Plans Merchant Collection	Technical drawing	Kingsbridge schooner (about 1870)	Dated: March 1937	No scale given, but probably 1:48. A plan showing the sheer lines with superimposed body and longitudinal half-breadth of a Kingsbridge schooner (about 1870). The plan was drawn by Philip Jesse Oke at Kingsbridge, South Devon in March 1937 from lines he took off a half-block model.

OKP0013	Ship Plans Merchant Collection	Technical drawing	<i>Olive</i> (about 1900)	Dated: January 1938	Graduated bar scale. A plan showing the longitudinal half-breadth, half-plan view, body, midships half-section and inboard profile with superimposed sheer lines of the <i>Olive</i> (about 1900), a Portscatha pilchard seine boat. The plan was drawn by Philip Jesse Oke at Plymouth in January 1938.
OKP0014	Ship Plans Merchant Collection	Technical drawing	<i>Lizzie PZ596</i> (1906)	Dated: February 1938	Scale 1:24 and 1:96. A plan showing the sheer lines with superimposed body, longitudinal half-breadth and outboard profile of the <i>Lizzie PZ596</i> (1906), a Mount's Bay lugger. The plan was drawn by Philip Jesse Oke at Plymouth in February 1938 from lines he took off the builders model made by Harold Legg of Penzance.
OKP0015	Ship Plans Merchant Collection	Technical drawing	<i>Zigeuner FH19</i> (1840)	Dated: January 1938	Scale 1:16. A plan showing the longitudinal half-breadth, half-plan view and inboard profile with water lines of the <i>Zigeuner FH19</i> (1840), a River Fal oyster dredger. The plan was drawn by Philip Jesse Oke at Plymouth in January 1938. The date of build and origins of the boat as given on the plan are suspect. Further details can be found on page 155 of the Chatham Directory of Inshore Craft.
